I THIRST Spiritual Companionship Program (ITSC)

A Training Program for our Church to be a **well of healing and hope for those suffering with addictions and their families.** This free two-day seminar (June 1st & 15th, Babson College) offers training on how to be an effective I THIRST Spiritual Companion (ITSC) for those suffering from addictions and their families. An ITSC is someone who offers spiritual consolation and recovery resource information – he or she is a cross between a spiritual director and a recovery coach. These individuals will be the “boots on the ground” in parishes, offering specialized care and consolation to this vulnerable and marginalized population. The training will be followed by three monthly mentoring webinars in which participants will share their experiences with the community. For more information, please contact: Joanne Curry 617-773-1021 or ReStJohnQuincy@gmail.com.

Anointing of the Sick Healing Mass

On Saturday June 15th at 11am our Collaborative will be offering a **special Mass of Healing with the Sacrament of the Anointing of the Sick**, at St. John the Baptist Church. Following Mass a **light lunch will be offered** to all participants.

The Rite of Anointing tells us there is **no need to wait until a person is at the point of death to receive the Sacrament.** A careful judgment about the serious nature of the illness is sufficient. The Sacrament of the Sick will be administered to all who are **suffering from an ailment or undergoing medical treatments**, as well as **the frail and elderly**. When the Sacrament of Anointing of the Sick is given, the hoped-for effect is that, if it be God's will, the person be physically healed of illness. But even if there is no physical healing, the primary effect of the Sacrament is a spiritual healing by which the sick person receives the Holy Spirit's gift of peace and courage to deal with the difficulties that accompany serious illness or the frailty of old age (USCCB).
